# HALDEN BROTHERS

THE COMPLETE CATALOGUE

114 REFERENCES · 25 PROGRAMMES

EX-WORKS USD

# HOW TO READ THIS CATALOGUE

Every reference we manufacture, listed once. Each entry carries its reference number, programme, overall dimensions and unit price. Prices are per unit, ex-works, in US dollars, excluding VAT, packing and freight. We price whole schedules — send the bill of quantities and we return a priced take-off and a lead time.

## REFERENCE NUMBERS

HN-1xx references come from live building schedules. HN-2xx references extend those programmes into further sizes and configurations. Both are held to the same specification.

## FINISHES

Melamine and veneer decors, upholstery, powder-coat RAL, handle and foot colour are fixed against a physical sample board before production. One approved board governs the whole order.

## PROGRAMMES

Twenty-five programmes, each defined by a construction method rather than a style, so sizes and configurations extend without breaking the specification.

## MADE TO MEASURE

Storage walls, reception counters and back-wall panelling are built to the site opening and quoted per drawing. Everything else ships as catalogue standard.
